## N ALLIANCE OF Beauty and Cheapness.

The Lawns we sell at 12 1/2c yard are NOT 25c Lawns, but they LOOK as if worth fully that price. ### ANOTHER GOOD WELL

Brought in in the Wick District in Tyler County—The Devonian's Strike Doing Twenty Barrels an Hour.

The Devonian Oil Company's No. 3, on the John Bultman farm, in the Wick district, in Tyler county, reached the sand late Wednesday night, with but little showing of becoming a gusher. However, the showing did not discourage the owners and the drilling was continued during the night. At an early hour yesterday morning the geyser was reached and a good flow of gas and oil encountered. According to latest information the well is doing somewhat better than twenty barrels an hour and it is quite probable that its production will be increased when drilled deeper into the pay. While this well does not open up any new territory it will nevertheless have a decided influence and cause drilling to be hurried with all possible speed as well as encourage those holding small leases in that section to develop their holdings.

## ONE HUNDRED MEN

Out on a Strike at Elm Grove Coal Company's Works.

### THE CAUSE OF THE TROUBLE

Lies in the Size of the Wagons in which the Coal is Taken from the Mine—The Company Says the Wagons are Smaller than Its Agreement with the Men Calls For—The Men Lay Down Their Tools when a Reduction is Announced.

A strike is in progress at the works of the Elm Grove Coal Company, in Elm Grove, east of the city.

Yesterday morning the officials of the coal company announced a reduction in the price of mining coal, run of mine, from forty-three cents to thirty-six cents per wagon. The men refused to accept the reduction and went out on a strike. During the day efforts were made to effect a settlement, but as both sides remained firm in their respective positions, nothing had been accomplished up to a late hour last night.

It seems that the coal company had agreed to pay the miners forty-three cents per wagon load of coal, run of mine, the wagon to contain a certain amount of coal. This week the company measured the wagons and found that they were smaller than the agreement with the men calls for. It was found that at the rate agreed upon the company should pay only thirty-six cents per wagon load. When the officials of the company explained the situation to the men yesterday morning, and announced that the rate would be thenceforth thirty-six cents, the men refused to accept the reduction and laid down their tools and left the mine. The number of men affected is nearly 100.

It is generally hoped that a speedy settlement will be effected, as the town of Elm Grove will be seriously crippled should the coal works remain closed down for an extended period.

### RELANCE LODGE'S

Picnic at Wheeling Park Yesterday was a Great Success—Features of the Day.

Reliance Lodge No. 18, A. O. U. W., held its annual picnic yesterday afternoon at Wheeling Park. The occasion was favored both by beautiful weather and a large crowd. The number of people who attended was about 600, an unusual number for a picnic. The committees in charge to whom much of the success of the occasion is due, were as follows:

Arrangement committee—R. D. Bounn, George W. Clifton, Louis Grosscurth.  
Bowling committee—George W. Clifton, Ed. Vaas, Louis Grosscurth.  
Dancing committee—Louis Grosscurth, John W. Kindberger, Thomas Tighe, George W. Clifton.

Everything went off in the most satisfactory way possible. The afternoon was spent dancing, bowling and taking Sam Uselton, of the H. C. Richards from 6 to 10 o'clock, and was greatly enjoyed by all. During the evening there was dancing in the Casino, the Opera House orchestra furnishing the music. From 7 to 10 o'clock a bowling contest took place, prizes being given for the two highest scores. The prizes consisted of two fine silk umbrellas. There were many entries and some high scores were made.

Ice cream and refreshments having been served after the dance, the crowd went home on the 11:30 special motor. The picnic was a great success, and the various committees are to be congratulated on the way everything went off. Pleasant walks; supper was then served; bowling team, won the first prize, making a score of 188, and Will Schaefer took second prize.
